Procedures

All staff, parents and volunteers are made aware of our no-smoking policy.

We display no-smoking signs.

The no-smoking policy is stated in our information brochure for parents.

We actively encourage no-smoking by having information for parents and staff about where to get help to stop smoking if they are seeking this information.

Staffs who smoke do not do so during working hours. Unless on their lunch break and off the premises.

Staffs who smoke during their lunch break must make every effort to reduce the effect of the odour and lingering effects of smoke for children and colleagues.
